Biography Sarbar NAPAKI

Graduated from Uni of Sahaddin in 1990. Did internship in Azadi Hospital until mid-1992. Started training in Anatomical Pathology in 2007 in Australia after qualifying as a general practitioner and working in medical, surgical and emergency rotations for nearly three years. Qualified as a fellow of the College of Pathologists of Australasia in 2003.

Came back to Kurdistan in 2005 and participated in establishing the central laboratory in Duhok. Came back to Australia in 2008. Worked as a Senior consultant at Southern IML Pathology and the Wollongong Hospital. Moved to Qatar in 2012 where I worked as senior consultant and subsequently head of department in the department of laboratory medicine and pathology at Hamad Medical Corporation. Went back to Australia in 2015. Senior consultant and director of Anatomical Pathology at the Wollongong Hospital in NSW since 2015.

Academic roles:

Senior lecturer at the Graduate school of Medicine at Wollongong University, NSW Australia. Voted lecturer of the year in 2011.

Senior lecturer at Medical College Duhok University.

Senior lecturer and director of the Anatomical Pathology training program at HMC, Qatar.

Currently Associate Professor and Pathology chair at the Graduate School of Medicine, University of Wollongong, NSW Australia.
