Star Lab company for Laboratory and Medical Appliance

Success ... is just the beginning

Star Lab Company established in Iraq (2010) , we are a registered company at the Ministry of Health, working in laboratory and medical field. we have been importing medical equipment's supply from different well-known medical producers worldwide since 2010

- Our main focus is to supply laboratory equipment and hospital supply, the main office located in Erbil.

-Service department is managed by a highly qualified team of engineers and technicians, who are well trained abroad for years.

- The sales department has very intensive and fruitful activities in governmental and private sectors. Since 2010 we supplied equipment for more than 1800 main laboratories (more than 2200 instruments) across Iraq.

Clinical Diagnostics Division- Thermo Fisher Scientific

Maadh Aldouri (UK)

MB, ChB, FRCP, FRCPath
Consultant Haematologist, Medway Maritime and King's College Hospitals
Clinical Director of Pathology, North Kent Pathology Services

Since 1999 I have been practicing Clinical and Laboratory Haematology at Medway Maritime and King's College Hospitals, and have been Clinical Director of Pathology since 2010. I was Clinical Director of International Activities for the Royal College of Pathologist 2021-2015, and was co-opted as RCPATH Council Member in 2021. I was Chairman of Haematology Speciality Group for Kent and Medway Cancer Network 2018-2001, and participated in several clinical trials in the field of haemato-Oncology.

I am a graduate of University of Baghdad and carried out post graduate haematology training and thalassaemia research at the Royal Free Hospital before moving to work in the Middle East until 1999.

Mashal Dhia Al Nawab (Dubai)

MBChB, DipRCPATH, CCST, FRCPath, PhD (Lon.)

Dr Al Nawab is the Chief Executive and Medical Director of Integra Healthcare Ltd, which is a medical infrastructural design, build, fit-out and transfer company working in the Middle East and North Africa (MENA) region.

He is a previous winner of the United Kingdom's Royal Society of Medicine's Presidents Prize for Medical Research and was a full-time Consultant Histopathologist/ Cytopathologist at King's College Hospital NHS Trust and a Senior Lecturer at Guy's, Kings and St Thomas' Medical school, part of the University of London. Dr Al Nawab was a Member of the International Committee of the Royal College of Pathology (UK) and a previous Chair of its Research and Projects Working Group.

Dr Al Nawab was the Founder of CPS clinical pathology services LLC, Dubai (UAE). Under his guidance the CPS laboratory in Dubai became the 1st laboratory outside the European Union to be fully CPA (UK) accredited to ISO Standard 15189.

He has practiced diagnostic medicine in the United Kingdom, Iraq and the United Arab Emirates and has a firm understanding of the particular requirements and needs of healthcare systems in the Middle East.

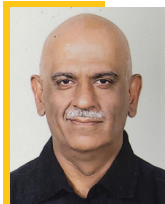

Side note: Dr Al Nawab is also the Chief Strategy Officer (CSO) for URUK Engineering and Contracting

Company which is involved in constructing major Electricity Power Plants.

Scientific PROGRAM

DAY 1 Thursday
31st March 2022

9:30 10:45 **OPENING**

10:45 11:30 **OPENING EXHIBITION & COFFEE BREAK**

DAY 1

Thursday
31st March 2022

1st Session 11:30 - 1:30

Moderators : Prof. Dr. Alaa Fathil Alwan , Prof. Dr. Jalal Ali Jalal , Ass. Prof. Dr. Gaylan Qadir

11:30	11:50	Updates in anticoagulation therapy	Consultant Dr. Firiad Hiwaizi
11:50	12:10	Overview of ISO15189 laboratory accreditation	Consultant Dr. Maadh Al Douri
12:10	12:30	An overview of the role of International Office of the Royal College of Pathologists	Consultant Dr. Maysa Alhussaini
12:30	12:50	An overview of the Quality Management System.	Consultant Dr. Mashal Alnawb
12:50	1:10	Third Generation PCR: Digital PCR General Application in Copy Number Variation + Mutation detection 	Asem Al-Natour
1:10	1:25	Challenges in Drugs of Abuse Screening 	Hassan Alimam
1:25	1:30	Discussion	
1:30	2:30	Lunch Break	

2st Session 2:30 - 4:10

Moderators : Prof. Dr. Haitham Al Rubaey , Ass. Prof. Dr. Azad Hasan Faraj , Ass. Prof. Dr. Yassmin Ali

2:30	2:50	Spindle cell lesions in Breast	Consultant Dr. Rezan Gardy
2:50	3:10	Update Diagnosis of COVID -19.	Consultant Dr. Ferial Ahmed
3:10	3:30	Risk Management and Governance in Pathology ... from Mesopotamia to the Modern World.	Prof. Dr. Walid Al Wali
3:30	3:50	FCM and Lymphomas	Prof. Dr. Sumeet Gujral
3:50	4:10	Breast case presentation .	Consultant Dr. Rezan Gardy
4:10		Discussion & end the 1st day	

DAY 2 **Friday** 1st April 2022

3rd Session 8:30 - 10 :15

Moderators : **Prof. Nasir Allawi , Dr. Dereen Ahmed , Dr.Bryar Ezadeen Nuradeen**

8:30	8:50	MRD in B-ALL	Prof.Dr. Sumeet Gujral
8:50	9:10	Antimicrobial Stewardship and Prevention and Control of MultiDrug Resistant Organisms	Prof. Dr.Walid Al Wali
9:10	9:30	pitfalls in the diagnosis or screening of COVID -19.	Consultant Dr. Ferial Ahmed
9:30	9:50	The importance of autopsy pathology	Consultant Dr. Mashal Alnawb
9:50	10:10	End tuberculosis with the right prevention strategy 	Yannick Wendling
10:10	10:15	Discussion	
10:15	11:30	Coffee Break	

4th Session 10:30 - 12:35

Moderators : **Prof. Dr. Sana Dlawar , Ass. Prof. Dr. Abdul Rahman Tawfiq , Dr. Maysaa Aouadh Bahaldeen**

10:30	10:50	Detective Work in Clinical Microbiology. (presentation of interesting case studies	Prof.Dr. Walid Al Wali
10:50	11:10	Quality Management at the Surgical Pathology Laboratory	Consultant Dr. Maysa Alhussaini
11:10	11:30	Management of refractory/relapsed non-Hodgkin's Lymphoma.	Consultant Dr.Maadh Al Douri
